GENERAL SUMMARIZING NOTES DESCRIBING THE STRUCTURE

S. M. Novella hotel entrance has a 7 cm threshold, curved glass entrance doors without chromatic optical signals bothers the sight.

The ground floor is wide and luminous; there are no particular problems to mobility. Here are the waiting room (not accessible due to a step) and the relax room, rich of furnishings, lounge chairs, couches and carpets that limits the room access and mobility. Bar and breakfast rooms are accessible.

The hotel is equipped of four accessible rooms with bathrooms inside, one to the third floor and three to the fourth floor; the inner pathways are covered with carpet and tapestries and are not very luminous.

The basement hosts the fitness room, sauna and public accessible bathrooms.

The hotel has an agreement with a paying garage parking service that picks-up/return the car on demand.
